

FACE-TO-FACE

On-campus and in-person classes on a scheduled day(s) and time(s) in a classroom.

Classroom setting with appropriate distancing and facial coverings as required by current policy.

ONLINE OL

100% online via Canvas Learning Management System, without any scheduled day(s) or time(s) on-campus.

Students access the course online on their own schedule with established deadlines.

ONLINE WITH PROCTORING OP

Delivered online via Canvas Learning Management System, with minimal campus visits required.

Students come to campus for scheduled orientation and/or proctored exams at a scheduled day(s) or time(s). Instructors will share required attendance dates/times during the first week of class.

HYBRID HY

Combines both face-to-face and online components via Canvas Learning Management System.

Face-to-Face meeting on scheduled day(s) and time(s). Additional online participation may be scheduled at specific times or completed on your own schedule. Instructors will share online component expectations during the first week of class.

DISTANCE LEARNING DL

Remote course with scheduled day(s) and time(s) connecting students from multiple locations.

Available remote technology including but not limited to Zoom, or Teams.

HYFLEX HF

Face-to-Face and remote formats meet simultaneously on scheduled day(s) and time(s).

Students are required to contact the instructor in advance to discuss their preferences and limitations.

ADDITIONAL INFORMATION

Appropriate social distancing will be practiced in combination with other preventative actions to reduce the spread of COVID-19.

Students with questions regarding on campus attendance should contact advising prior to course enrollment.

Based on seat availability and classroom technology, the instructors coordinate in-class attendance. However, depending on circumstances beyond our control, instructors may rearrange in-class attendance, instructional mode, and relevant activities.

All Kaskaskia College courses utilize Canvas Learning Management System. Canvas requires students have access to a computer, laptop, or other device that meets the Canvas basic computer requirements. In order to support student success in their classes, Kaskaskia College provides students free computer and internet access in computer labs at the main campus and all Education Centers. If you do not have access to the recommended computer resources or have limited internet connection outside of campus, please utilize the services provided by Kaskaskia College.
